Re: General Plan Update

Dear Supervisor/Chairperson \_\_\_\_\_

As your constituent, I am writing to show my support for Plan Alternative A and for the efforts of the Healthy Humboldt Coalition which includes Humboldt Baykeeper, the Sierra Club, and Democracy Unlimited of Humboldt County. Plan A is most consistent with the Guiding Principles that the Board of Supervisors adopted. It is clearly the superior plan when it comes to protecting our unique rural lifestyle.

Your interest to “discourage low density residential conversion of resource lands and open space” can only be achieved by Plan A which will still meet our projected need for new homes. Plans B and C are both blueprints for sprawl which will absolutely detract from the health and beauty of our land and communities.

<<personal concerns pertaining to sprawl>>

I am not surprised that a small group of developers would be willing to sacrifice our quality of life for their own personal gain. However, the County General Plan should be set in place with the best interests of the entire community in mind. I hope that you will not find cause to side with a selfish few. Over seven years of scoping hearings, 75% of people spoke in favor of the sketch plan that was translated most accurately into Plan A. As our elected official, please respect the public’s clearly stated vision for our community.

Sincerely,
